## Go As You Please Price Guarantee

All items in our Funeral Plans are fully guaranteed unless otherwise specified. This means that at time of need there will be no additional costs to pay. This includes crematorium fees, doctors' fees and nominated celebrant/minister fees. There are two exceptions to note:

- When a "contribution towards" is made for a product/third-party service e.g. flowers, horse and carriage.
- For a private service at one of our shops – if this is not available at time of need this will convert to a "contribution towards" a suitable alternative.
